

Customer Care Agent with Dutch and Spanish/ German/ French

Description

We are now looking to recruit new members to join our Sofia office as Customer Care Agent with Dutch and Spanish or German or French.

The successful candidates who will join our team will be providing post-sale and customer support to Dutch-speaking customers by email and chat.

Responsibilities

- Receive and handle support requests by email and chat (and phone in the second support language)
- Maintain detailed records of their work using a dedicated ticketing system and advise customers of query progress
- Escalate issues where required

Qualifications

- At least fluent or excellent in Dutch and another language
- Advanced user knowledge and experience with Internet
- Previous customer support experience is an advantage
- Effective communication skills and customer-oriented attitude
- Able to follow defined processes
- Able to prioritize tasks and work under pressure
- OS: Android, iOS and Windows -intermediate user level and related understanding of technical troubleshooting (peripheral device knowledge such as mobile devices) will be considered a plus

Job Benefits

- Good remuneration package with additional health coverage
- Job specific training
- Work in a multinational team of professionals across industries such as IT, Sales & Marketing and Customer Care
- Be a part of a dynamic team of young people in a friendly work environment

Please note that only successful candidates will be contacted.
